Vitalyst Health Foundation is an independent, non-partisan public foundation that has invested more than $130 million and established itself as a thought leader, convener and catalyst to improve community health and well-being in Arizona.

**Who We Are**

Vitalyst Health Foundation is an independent, non-partisan public foundation that has invested more than $130 million and established itself as a thought leader, convener and catalyst to improve community health and well-being in Arizona.

**Our Vision**

All individuals and communities in Arizona are healthy and resilient.

**Our Mission**

To connect, support and inform efforts that improve the health of individuals and communities in Arizona.

**We Have Three Goals**

- **Collaborative Networks**
  Working to improve the conditions that impact health.

- **Strong Community Partners**
  Equipped to advance health equity.

- **Informed Decision-Makers**
  Prioritizing community health and well-being.

**And Four Priorities Stretching Across Those Goals**

- **Civic Health**
  Supporting long-term efforts that improve active community participation.

- **Food Systems**
  Strengthening food systems across rural and urban areas of Arizona.

- **Health Care Integration**
  Supporting the integration of physical, mental and social determinants of health.

- **Housing**
  Supporting statewide housing initiatives along the spectrum of housing.
**PARTNERING WITH VITALYST**

Vitalyst Health Foundation has partnership opportunities across Arizona. We offer capacity building resources for nonprofits and provide grant support to organizations who share our mission.

---

**THE FIRST STEP: DISCOVERY**

The Discovery process was created to help connect partners with appropriate support. The three-step, online process takes between 15–20 minutes to complete.

---

**SUPPORT PROVIDED WITH RESPONSIVE GRANTS**
