### **Q: Where can we download this PowerPoint if we need to review it again?**

A: The slides and recording will be uploaded here: <http://vitalysthealth.org/grants/medical-assistance-grants/>.

### **Q: Is there a minimum amount for requests?**

A: No, there is not a minimum amount for requests. Requests for Hearing grants are up to \$150,000. Requests for Vision grants are up to \$150,000. Requests for Substance Use Disorder grants are up to \$25,000. Requests for Heart & Lung grants are up to \$50,000. However, proposals that benefit the community for maximum and considerable impact are ranked higher.

### **Q: Can organizations apply for two separate grants if services are provided for both hearing and visually impaired populations?**

A: Yes, organizations can submit separate proposals.

### **Q: Can you provide some examples of prior Medical Assistance Grants-funded projects?**

A: Previous grant partners can be found at <http://vitalysthealth.org/grants/>.

Clarification: in the January 20<sup>th</sup> virtual information session, the 2022 Federal Poverty Guidelines were referenced. The 2023 Guidelines will be used and the Slide Deck has been updated to reflect the new thresholds at 250% as noted at <https://aspe.hhs.gov/topics/poverty-economic-mobility/poverty-guidelines>.
